Weekly writeup

**Petersen Ranch Mitigation Bank**

We approved the largest mitigation bank in California. Located within the boundaries of the San Andreas Rift Zone Significant Ecological Area, in the eastern foothills of the Los Padres National Forest, this bank offers approximately 950 compensatory mitigation credits to offset impacts to Waters of the United States. Credits include 837 preservation and 105 re-establishment of alluvial floodplains, streams, marshes and wetlands.

Hi Jason,  
I have attached a one-pager on Petersen Ranch Mitigation Bank along w/ maps.  
I have also let Julie Vandermost (consultant) and Shannon Pankratz (Corps) know to keep you in the loop as they wrap up and sign off on the BEI.

Thanks; and you can always call my cell.  
I'll be at an Outreach Event on Tues. Back in the office Wed&Thurs.
